Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(3), i.e. prior to a first Office Action on the merits.

Attached is a copy of a WIPO patent document, which was first cited in the attached European Search Report, dated November 24, 2008, which was issued in connection with the European patent application No. 05721637.6. Also attached is an English-language abstract of the document from which any relevance of the document can be gleaned. The document is listed on the attached Form PTO-1449. Also listed for consideration on the Form PTO-1449 is a U.S. patent, which was also cited in the European Search Report. Any relevance of this U.S. patent is self-evident.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.
